COOLER UNDER THE SUN

Reflects the sun and your sense of style. Transcend Lineage is engineered to keep your deck cooler, even on the hottest days.*

PEACE OF MIND

Our 25-Year Limited Residential and Fade & Stain warranties mean you're covered (and confident) for decades to come.

SUPERIOR DURABILITY

Transcend decking maintains its color and finish—come sunshine or red-wine spill—thanks to its unyielding shell protection.

*Although Trex Transcend Lineage is designed to be cooler than most other composite decking products of a similar color, on a hot sunny day, it will get hot. On hot days, care should be taken to avoid extended contact between exposed skin and the deck surface, especially with young children and those with special needs.
